The D160-SP-T420 and D160-SH-T420 rough service crimpers are ideal for heavy duty environments.
Weighing only 85 lbs and mounted on a convenient carrying frame, this 62 ton crimper can be carried to almost any location where service is required.

Additional features like removable pusher, LED indicator light, and a retraction stop which means that the ram does not have to fully retract between repetitive crimps.

Notes:
Crimper capacity is estimated based on typical 1-piece fitting. Actual results may vary depending on the hose and fitting manufacturer.
