: HS-150

The HS-150 Electric Hose Saw from Custom Crimp, distributed by KMX USA, is a must-have tool for hose cutting professionals. This powerful and rugged saw is designed to meet your cutting needs with ease. The movable hose bending pins prevent the blade from bending during a cut. The vacuum port allows for easy attachment to a vacuum system, keeping your saw and workspace clean during operation. The HS-150 Electric Hose Saw is equipped with a 10" serrated blade for general purpose cutting, making it ideal for cutting multi-spiral hose. Get the job done quickly and efficiently with the HS-150 Electric Hose Saw.
