*** Some features may vary without prior notice. Sale subject to inventory availability*

Note:
Wingnut tightened to 25 in. lb. of torque

Safety notes:
Service pressure ratings are based on the following parameters: matching elastomer gaskets and weld ferrules properly aligned and assembled with the clamps tightened to required torques. Tests are done hydostatically with no water hammer or shock loads.
All ratings shown are dependent upon related components within the system and proper installation.
