*** Some features may vary without prior notice. Sale subject to inventory availability*

Applications:
Used for general dry bulk media unloading through a bottom drop hatch

Features:
High flow thick wall design enables product to unload at a faster rate and resist internal abrasion longer than the leading brand
Heavy duty stainless steel tee bolt secures hatch door closed
Door components will not drag on ground
Adjustable door hinges ensure tight seal on door gasket

Construction:
Hardware: stainless steel

Safety notes:
WARNING: Cancer and Reproductive Harm- www.P65Warnings.ca.gov
