*** Some features may vary without prior notice. Sale subject to inventory availability*

Specifications:
Sealed connectors pass IP67 and DIN40050 salt spray tests.

Features:
Prewired and factory tested with Plug-n-Play cabling and plugs, eliminates hours of manual crimped wire connections, and removes the problems and worries associated with connection problems.
Plug-n-Play cable harnesses come preconfigured for the type of tank (truck mounted tanks or for full length tank trailers) the number of tank compartments, standard harnesses have been designed to fit most standard tank configurations.
Secure and weather tight connections all the time, remove the possibility of poor wiring connections.
Three compartment tank trailer. Retain (bottom) cable harness with Plug-n-play connections

Available Options:
Custom length harnesses are available

Installation
Easy to install, just mount all the components (sensors, sockets, monitors) onto the tank and plug them into the preconfigured harness.

Note:
All FloTech™ electronics manufactured after January 1, 2015 are covered by our 5 year warranty.
