*** Some features may vary without prior notice. Sale subject to inventory availability*

Applications:
Used in the pneumatic loading and unloading of frac sand, cement, or any abrasive materials from a cargo tank.

Features:
BayCast is a durable and long lasting cast iron alloy from Dixon Bayco ideally suited for resisting wear from abrasive materials.
High flow design speeds drop rates and provides a long lasting wear resistance
Schedule 80 wall thickness and extra thick saddles increase service life
Protective finish resists rusting

Safety notes:
WARNING: Cancer and Reproductive Harm- www.P65Warnings.ca.gov
