*** Some features may vary without prior notice. Sale subject to inventory availability*

Features:
Straight-Through Pressure-Wash Interchange
Interchanges with Parker ST-Series, Foster FST-Series, Tomco Series-ST, Hansen ST-Series
These plugs have no internal valves, providing maximum flow with minimum pressure drop.

Construction:
Machined components are manufactured using solid brass

Safety notes:
Do Not Disconnect with pressure in line.
Dixon cannot assume liability for misapplication of products resulting in equipment down-time, lost production, property damage and/or personal injury including death.
Operating pressures for the standard hose barbs utilizing hose barb end connections may be dramatically reduced to that of the hose rating and/or hose and end connection combination. Consult hose manufacturer's catalog for hose end connection ratings. If in doubt, test under controlled conditions for suitability to application.
