*** Some features may vary without prior notice. Sale subject to inventory availability*

DATE
: 11/23/2026 05:42 PM

SKU
: 24289

BRAND
: DIXON VALVE

MODEL
: FT404-150

Features:
Black and white 2 wire Checkmate/Thermistor type

Safety notes:
Due to the very low current used in overfill systems it's extremely important to use the correct type of cable. The use of other types of cabling often leads to failed overfill systems due mostly to corroded connections. FloTech cable is specially produced with tin plated wire, which when connected correctly using crimp connections, will provide years of trouble free service.
WARNING: Cancer and Reproductive Harm- www.P65Warnings.ca.gov

TECHNICAL SPECIFICATIONS

Description	11 conductor, 20 AWG
Factory Part Number	FT404-150
Weight Lb	13.1400
