** Referential image*
*** Some features may vary without prior notice. Sale subject to inventory availability*

DATE
: 11/23/2026 05:08 PM

SKU
: 6639

BRAND
: DIXON VALVE

MODEL
: 900

Applications:
These delivery nozzles are ideally suited for low pressure use such as agricultural and 12 volt truck utility pumps, or gravity flow fittings in economy applications

Features:
Nozzles are manual operation, they do not have an automatic flow shut off.
Rugged design
Good flow rating

Construction:
Die cast zinc aluminum body
Plated steel trigger
Buna seals
Nozzle body only (no spout)

Note:
All fuel contains additives, which can vary by fuel brand and season. Please contact Dixon with a list of all additives and we will advise of any known compatibility issues.

Safety notes:
