DATE
: 11/23/2026 08:48 PM

SKU
: 7003

BRAND
: DIXON VALVE

MODEL
: AKSP25

Applications:
The use of an Air King® safety clip or wire type retainer is necessary to ensure couplings will not become accidentally disconnected.

Use:
Use of supplied safety clip guarantees the fittings are properly connected because the safety pin will not go through the holes in mating fittings until couplings are locked in place. Only one Air King® safety clip or wire type retainer is required for each Air King® universal coupling.
Air King® is for air and water service only

Features:
Heavy duty
Oversized

Safety notes:
Air King® is for air and water service only
WARNING: Cancer and Reproductive Harm- www.P65Warnings.ca.gov
