MARCA
: REELCRAFT

MODELO
: FF9600 OLPBW

Reelcraft's spring retractable fuel delivery hose reels, equipped with Viton seals, incorporate metal forms to ensure the greatest possible strength and are ideal for mobile and permanent-mount applications. These rugged, corrosion-resistant reels are suitable for a wide variety of fuel applications including E85.

Features:
Substantial base frame – The full width frame has the greatest amount of mounting area and overall strength of reels within its class.
Full flow stress free swivel design – The full flow swivel combines the highest grade seal design and materials with bearing areas to ensure maximum service life.
Quality finish and corrosion resistant – Individually powder coated components offer the maximum protection from premature corrosion.

Safety notes:
