*** Some features may vary without prior notice. Sale subject to inventory availability*

Features:
Checkmate monitor with Plug-n-Play connectors, top overfill and bottom retain detection
Prewired and factory tested with Plug-n-Play cabling and plugs, eliminates hours of manual crimped wire connections, and removes the problems and worries associated with connection problems.
High tech color coded display shows well on trailers
Monitors include advanced diagnostic capabilities as well as signal translation abilities for all socket types (optic, thermistor or float). The system offers true load at any rack compatibility.
Includes water-tight integrated fuse holder

Construction:
All stainless steel hardware and terminal block within the aluminum housing

Available Options:
Top (overfill) only monitoring, or both top (overfill) and bottom (retain) monitoring

Note:
All FloTech™ electronics manufactured after January 1, 2015 are covered by our 5 year warranty.

Safety notes:
